Supervise the work of second and third year student attorneys in the General Practice Clinic on a wide range of cases including Divorce, Parental Rights and Responsibilities, Guardianship, Forcible Entry and Detainer, Criminal, Special Immigrant Juvenile Status, and Appellate matters. Teach students lawyering skills including, client interviewing and counseling, investigation, case planning and strategy, negotiation, legal writing, oral argument, problem-solving, professional development, and time management.

Co-teach the Clinic's two credit seminar class, Lawyering Skills for Clinical Practice. Supervise student in independent writing project and oral argument before the Maine Law Court.

Maine Law School Faculty Committees

September 2024, appointed Chair of the Admissions Committee and Dean's designee for character and fitness. September 2025, appointed to the Experiential Learning Committee.

Pine Tree Legal Assistance, Portland, Maine

Staff Attorney, December 2019 - July 2024

Litigated a wide array of civil cases including protection from abuse, divorce, parental rights and responsibilities, guardianships, adoptions, special immigrant juvenile petitions, eviction defense, public benefits, Title IX, probate, and consumer matters. Represented clients at dozens of hearings and trials; filed and argued original motions; mediated; examined lay and expert witnesses; and litigated appeals including oral argument in the Law Court and a jury trial appeal in Androscoggin Superior Court.

Committees and Appointments

Elected President of the Attorney Union 2022-2023. Negotiated a 3 year contract on behalf of membership. Served as co-chair of the Litigation Practice Group 2021-2024.

Colorado State Public Defender, Durango, CO

Litigation Assistant, October 2017 - June 2020

Assisted in preparing homicide cases for trial. Organized and reviewed discovery in advance of trial. Researched complex legal issues and wrote motions on heat of passion, venue, premeditation, sentencing, forensic anthropology, serology, crime scene investigation, DNA, the forensic use of human remains detection dogs, and the insanity defense.

The Bronx Defenders, Bronx, N.Y.

Staff Attorney, August 2016 - October 2017

Represented adults and juveniles charged with felonies in Bronx County. Provided holistic representation from arraignments through disposition, including acting as first chair for dozens of hearings, trials, sentencings, and press cases. Transformed the Bronx Defenders' probation

practice by ensuring that every client was represented at their probation hearing and drastically reducing the number of days each person spent incarcerated. Led training opportunities for entry level attorneys and collaborated with community organizations to provide “know your rights” presentations at Bronx high schools and community events.

The Legal Aid Society, Bronx, N.Y.

Staff Attorney, October 2012 - August 2016

Represented clients charged with misdemeanor and felony offenses. Zealously represented clients by making thousands of court appearances; conducting thorough arraignment interviews and bail applications; preparing clients for grand jury testimony; advocating for clients during hearings and trial; litigating forensic issues such as DNA and ballistics; and advising clients on collateral consequences of a plea or conviction. Designed and participated in community outreach and ‘Know Your Rights’ training programs.
