

The background of the advertisement is a scenic photograph of a Maine coastline. In the foreground, a rocky beach with smooth, rounded stones is visible on the left, where gentle waves are washing onto the shore. The middle ground features a rugged, layered rock formation that extends into the sea. Above the rocks, a dense forest of evergreen trees covers a hillside. The sky is filled with soft, colorful clouds in shades of blue, pink, and orange, suggesting a sunrise or sunset. The overall mood is serene and majestic.

LAW

Committed to justice
and leadership in
a changing world.

We believe it's time to reimagine what a law school can be

This means engaging with communities outside of our building and outside of our comfort zones. It means renewing our commitment to public service, and standing up for justice, rather than watching from a safe distance.

Maine Law graduates are public and private sector leaders regionally and around the world. They are judges, elected officials, lawyers in a wide range of practice, CEOs, activists, authors, and arbitrators
